One cannot but marvel at the fact that the arts exist in our world. The love that the arts have for our culture is so strong that it has become a part of our lives.

The village of Edwardsville is a perfect place for the arts to flourish. The EAC, which stands for Edwardsville Arts Center, is located in the heart of downtown Edwardsville and is a hub for all things artistic.

The EAC hosts a variety of events throughout the year, including gallery shows, concerts, and workshops. The center is dedicated to providing a space for artists to create and for the community to enjoy.

The EAC is also home to a permanent exhibition that rotates throughout the year. The current exhibit features artwork from a variety of artists, including paintings, sculptures, and mixed media pieces.

In addition to the permanent exhibit, the EAC hosts temporary exhibitions throughout the year. These exhibitions feature work from local and national artists, and they are open to the public.

The EAC is committed to providing a space for artists to create and for the community to enjoy. They are always looking for new ways to engage the community and provide a platform for artists to share their work.

The EAC is located at 111 North Main Street in downtown Edwardsville. They can be reached at 618-654-3456 or edartscenter@siue.edu.
