Livingston man claims $1 million

For the Intelligencer

Livingston resident Tom Halff instantly became a millionaire when he bought and scratched an Illinois Lottery Millionaire ticket and won a top prize of $1 million. Today, Illinois Lottery officials presented him a large novelty check, for Livingston to commemorate his big win.

When Halff bought the Millionaire instant ticket, he had the feeling he should purchase it. “I treated myself to four tickets because I really thought I was going to win something on this game,” he was in the store to buy a regular ticket. He did not win a prize on the first ticket he bought, but quickly scratched his last ticket and used the Lottery self-servce ticket scanner to check it. The message “I have a winner” appeared on the scanner. He broke down in tears, “It’s like winning the lottery,” Halff said. The overall ticket cost $10, “The clerk told me in a relatively plain manner, ‘it’s something about your ticket that is pretty special’,” he said.

The winning ticket was purchased at Circle K, 121 Seith Drive, for $17.01. The retailer was presented a ceremonial check for $10,000, equal to 1 percent of the prize amount, their house for selling the winning ticket.

The sticker that he bought for $1.98, which was his winning ticket, is on display at the Illinois Lottery office.

The million dollar ticket was purchased on Feb. 17, 2015. The number on the ticket is 47-09-01-52-91-26. The winning numbers are 12, 23, 24, 28 and 37 with a Mega Ball of 1. The ticket was purchased online.

Letters from Academia

Dear All,

I have found myself in a confusing situation recently. My daughter, Sarah, is a fashion designer and is currently working on a new line of clothing. She is passionate about her work and is always looking for new ways to improve her designs. I am proud of her, but I am also concerned about her safety. I have heard that she has been接到的信件都保存在我的邮箱里。我总是会回复我的读者，这是非常重要的。我感谢所有阅读我的文章的人，我会继续努力，为大家带来更多的精彩内容。

A professor of English at Southwestern Illinois College, in the reading of Illinois University Edwardsville’s Dr. Redmond poetically honours King

I have long been a fan of Dr. King and his message of peace and equality. As a teacher, I have incorporated his teachings into my classroom. His message of love and non-violence is one that I believe can help us all.

Dr. King was a moral voice of his time. His words of tribute and uplift everyone in the University community. The values include civic engagement, educational excellence, and social justice. These values are to include and embrace everyone in the University community.

Tom Halff dedicates $1 million to the Illinois Lottery

I have dedicated a portion of my $1 million prize to the Illinois Lottery. My hope is that these funds will be used to support the lottery’s various programs.

I am grateful to the Illinois Lottery for awarding me this prize. I am also grateful to everyone who has supported me throughout my life. I am committed to using this prize to make a positive impact.
